GRACE SPACE

As you probably know, a child's self-esteem can be not only developed and boosted through recognizing their achievements, but it can also produce opportunities for learning graciousness and humility, in light of their achievements. We would like to develop character in our students by introducing the "Student Achievement Box" which will give parents, staff, teachers, friends, family all a chance to recognize a particular student for special achievements! (Spelling bee, football, gymnastics, music, reading, or community volunteering etc.) Students and their achievements can be entered into this anonymous box located in the front school entry for a possible feature on our bulletin board or school Facebook! We look forward to learning all about the great things our students are involved in and how their dedication, hard work and faith have helped them in these achievements!

GLS family members are encouraged to join us for our chapel services at any time throughout the year. Chapel offerings collected this week totaled \$13.42. Our chapel offerings for the months of September and October will be going to LCMS schools in the affected areas of Houston. Pastor Worrall from Immanuel Lutheran Church will lead chapel next week.

7 Day Clinic Flu Shots

Essentia Health has purchased 7 Day Clinic, who used to provide us with the opportunity to have flu shots given at GLS. With the new purchase, Essentia will still come to the school but will not be able to offer flu shots off site to anyone under the age of 18. We have decided not to host a flu clinic this year because of this because our students would not be able to take part in the vaccines. Please remember to get your child vaccinated for the upcoming flu season at another available site. Thank you for your understanding!

Project 24

You are invited to an evening of fellowship that celebrates our partnership with the Evangelical Lutheran Church of Kenya. At 7:00 pm on Wednesday, October 4, John Kissinger, the program director for Project 24 will make a presentation at Crosspointe Lutheran Church, 4550 37th Ave. S, Fargo. John oversees all five of the Project 24 sites and he will be sharing about the ministry of Project 24, the dynamics that create the need for the ministry, and the impact Project 24 has for Kenyan youth, families, and communities.

Preferred Blue Books for Sale

Grace Lutheran School has the much-loved "Blue Books" available for purchase. Stop in the school office and pick up yours for \$25. This is a great idea for anyone who eats out or likes to take advantage of local events. (These make great gifts for college students!) For each book sold, \$10 goes directly to the school! Thanks for supporting GLS!

Thanks to everyone who donated candy for West Fest! A special thanks to the Tegtmeier family for the popcorn!

Reminder!

The dress code reminds us that no shorts are allowed in school starting Monday, October 2nd.
